** 40 shot competition, ranked as number 4. * 40 shot competition

The results for the air-rifle are on one of the computers used during the Barentsmatch.

So far I have not been able to retrieve the results, due to the fact that the computer is locked down in a safe, alongside some of our air rifles. I will have the opportunity to open the safe, and fetch the computer this Saturday. The complete air rifle scores will be available then. However, I have the team results and top three scores noted down on my cell phone, so we will have a team score ready for you at this time.

Team results

1. Norway 2297
2. Sweden 2251
3. Finland 2234
